

# Pre-Employment Assessments

Make **informed recruiting** decisions, take out the risk with hiring and engage our expertise in Health services provision by knowing who you are hiring **before you hire**. Pre-employment assessments are a must-have **risk management** strategy that are a short-term investment for a long term **peace of mind**.

Pre-Employment assessments are a series of tests that provide objective information about an applicants' functional capacity to **perform the tasks required** in relation to the job for which they are applying.

## Benefits

In delivering you the assurity that you have made the right employment decision we will provide:

- A physical assessment to aid your employment decision making
- Flexible, professional, confidential assessment
- Assessment provided according to contemporary and evidence based research.

## Type of assessment available

Professional and thorough Pre-employment assessment is conducted by a fully trained Physiotherapist, and is tailored to your job specifications (Allied Health, Nursing, Domestic Worker, Carer roles and Administration)

## Cost

From \$64 per assessment Monday to Friday\*

*Please note all prices are GST exclusive*

## Availability

We provide services Monday – Friday.

You can make a referral to see our Physiotherapists for pre-employment assessments seven days a week.

Please note that pre-employment assessments are currently based at 31 Flemington Street, Glenside and at our Victor Harbor Office (Paul/Helen to ad details) with ample parking available.
